Portfolio

PROFESSIONAL SUMMARY

Results-driven Software Engineer with strong expertise in the .NET ecosystem, specializing in building robust, scalable web applications, secure REST APIs, and efficient database architectures. Proven track record of developing full-stack business solutions using ASP.NET Core, Entity Framework, and modern front-end technologies for international and local clients.

TECHNICAL SKILLS

.NET Ecosystem:	C#, ASP.NET Core, ASP.NET MVC, Entity Framework Core, LINQ, Web API
Architecture & DB:	MS SQL Server, MySQL, Stored Procedures, Database Schema Design, nopCommerce
Cloud & DevOps:	Microsoft Azure, Azure App Service, Azure SQL, Git, CI/CD pipelines
Front-End / Other:	JavaScript, TypeScript, Bootstrap, jQuery, AJAX, REST APIs, WordPress, SEO

PROFESSIONAL EXPERIENCE

Software Engineer(.NET Developer)— Nopcommerce Template Projects June 2024 – Present

- Design and develop scalable web applications and enterprise solutions using C# and ASP.NET Core framework.
- Build optimized database structures, custom stored procedures, and schema designs in MS SQL Server to enhance data performance.
- Integrate third-party services, including nopCommerce platforms and secure RESTful APIs, tailored to client business needs.

Full-Stack Software Developer | World of Tech | Freelance 2022 – Present
worldoftech.company

- Engineered custom web and e-commerce applications from scratch utilizing robust backend .NET technologies.
- Created dynamic, responsive user interfaces using modern JavaScript, jQuery, and Bootstrap integrated with secure server architectures.

WordPress & SEO Intern | Cepture Sep 2023 – Dec 2023

- Optimized web application components, managing plugin configurations and custom themes to ensure fast load speeds.
- Conducted technical SEO audits to increase organic search visibility and search engine indexing scores.

PROJECTS

Anglersbay(E-Commerce Platform) — anglersbay.com

- Developed a high-performance commercial e-commerce web platform leveraging scalable ASP.NET backend architecture.

Providence Clinic CMS — github.com/Zohair-git/CMS

- Built a comprehensive web portal incorporating an online pharmacy catalog and event-booking system using ASP.NET MVC.

EDUCATION

Bachelors of Information Technology (Hons) — Lincoln University 2025 – Present
Diploma in Software Engineering — Aptech Computer Education 2022 – 2025
A-Level — Cadet College Petaro 2020 – 2022
